

**Federal Funding Agencies Implementation of Uniform Guidance  
Information as of April 1, 2015**

<u>Federal Agencies</u>	<u>Uniform Guidance Implementation</u>	<u>Carryforward Funding</u>
DOE and other Federal Funding Agencies unless otherwise stipulated.	New awards or incremental funding for existing awards committed after December 26, 2014.	Funding committed prior to December 26, 2014 remains under OMB A-21, A-110 and A-133 regulations.
NIH, NSF, DOJ, NASA, USDA, EPA and Dept. of Interior	New awards or incremental funding for existing awards committed after December 26, 2014.	Carryforward funding is under Uniform Guidance regulations once any incremental funding is committed to an award after December 26, 2014.
Department of Education	New awards, non-competing continuation awards or budget periods added at the end of an award after December 26, 2014. (Supplements to and time extensions for awards existing prior to December 26, 2014 will remain under previous guidance until a non-competing continuation is awarded.)	Carryforward funding is under Uniform Guidance once a non-competing continuation is awarded or a budget period is added at the end of an award after December 26, 2014.
DoD	New <b>competing</b> awards committed after December 26, 2014.	Carryforward funding remains under OMB A-21, A-110 and A-133 regulations for duration of <b>competing award segment</b> .
